

JC NYMS Target Area Program 2018-2019

ATTENTION CONTRACTORS

The Village of Johnson City (JC) recently received funds for two local building renovation programs, a New York Main Street (NYMS) Program and Project Facelift, a Greater Binghamton Fund (GBF) initiative. The NYMS program provides assistance for interior & exterior improvements to buildings located along Main Street in the downtown district. The GBF program provides assistance to exterior renovations to 14 sites within the JC iDistrict. Work to be performed includes windows, doors, roofing, carpentry, masonry, painting, insulation, plumbing, heating, electrical, and interior/exterior general carpentry. To be placed on the Village's Qualified Contractors List, (required for performing work on these projects) contact Grant Writer Dai Korba at dain@villageofjc.com, (607) 798-7861 to request an application. References and proof of insurance are required.

The Village of Johnson City encourages Minority and Women Owned Enterprises (MWBEs) and Service-Disabled Veteran Owned Enterprises to apply. All electrical and plumbing contractors must be licensed to work in the Village.
